"As of 2020-2021, the feds held over 70 per cent of public student debt, around \$23 billion, while provincial governments held the rest, about \$8.9 billion."

A framed image of a Student Loan Application Approval Form. The form includes fields for Branch, Name, Date of Birth, Address, and various checkboxes for loan types and repayment options. It also includes a section for the lender's signature and date.

"It's so hard to get out of university and just start your life with so much debt already"

"Canadian progressives, unions, and student organizations have long cited the increasingly massive total owed, now just under \$39B, as evidence of a student debt crisis."
