

# ENTERAL LOVE IN MOTION

diamond freezes  
a moment of motion  
into something that stays.

felt data: not just  
where we walked,  
but how we remember it.

Expressing love  
or emotions through  
movement trajectories  
in different  
emotional relationships

Yu Chang & Xinle Wang

Davidson, T. (2023, October 9). French tandem pair set new Strava art world record with 2,000-kilometre heart. Cycling Weekly.
